

Solar support job recruitment information

Who is solar recruitment?

At Solar Recruitment, recruiting the right people for your business is our core purpose. As a boutique recruitment firm specializing in IT recruitment, Telecommunications recruitment, Finance and Administration recruitment; we have grown by providing high levels of service and integrity to both our clients and candidates.

Why should you work at SunPower?

SunPower is filled with folks who want to change the world, and we talk about it every single day. From our CEO to our expert solar installers, our team of over 3,300 strong across the U.S. and the Philippines is passionate, positive and all-in on our mission to change the way our world is powered. What's it really like to work at SunPower?

What is a SunPower Employee Resource Group?

SunPower's employee resource groups, or ERGS, are employee-led to offer a sense of belonging, acceptance and inclusivity around shared culture, backgrounds, interests and experiences. Open to all employees, our ERGs empower each of us to bring our whole selves to work while strengthening our workplace culture and inclusivity.

Is SunPower a good company?

SunPower has dedicated, customer-focused employees in North America and the Philippines. In an industry that is reshaping the world's energy future, there's no better place to be than SunPower. Don't meet every single requirement?

What is a University intern program at SunPower?

At SunPower, we love having future savers of the world participate in our University Intern Program. Interns are able to enhance skills, get hands-on experience, and participate in special projects, while interfacing with managers and executives. We welcome them to the clean energy revolution.
